Ou você escolhe a
tecnologia Niobium Steel
ou manda sua segurança
para o espaço.

A Hipper Freios está sempre à frente quando o assunto é inovação. Prova disso são os discos de freio com tecnologia Niobium Steel. A mesma usada em turbinas de avião e propulsores de foguetes. Assim, o disco tem maior resistência, vida útil prolongada e menor aquecimento.

Discos da Hipper Freios com Niobium Steel.
Tecnologia espacial, agora no seu carro.
